The 3rd annual DIVINAMENTE NYC festival will take place from May 18th through 22nd 2011. Founded by renowned Italian actress Pamela Villoresi (artistic director), the festival celebrates the spiritual dimension of the arts and their ability to bridge national boundaries. On the 150th anniversary of the unification of Italy, artists from different backgrounds have been invited to reflect upon the idea of “home”: the home of our birthplace, the home where we have chosen to live, or the home we seek in our imagination.
